About Robert Coleman Flowers

Robert Coleman Flowers joined our firm in 2025 after gaining diverse legal experience across several practice areas. He graduated from American University Washington College of Law in 2019, following his undergraduate studies at the University of South Carolina in 2015. Robert is admitted to practice law in both Maryland and the District of Columbia.

Prior to joining our team, Robert worked at a personal injury law firm, an immigration and criminal attorney firm, and completed a judicial internship, which helped him develop a well-rounded legal skill set. He is fluent in Spanish, allowing him to better serve a broader range of clients.

Robert is an active member of the Maryland State Bar Association, the Maryland Association for Justice, the Maryland Hispanic Bar Association, and the Maryland State Bar Leadership Academy.
